is conform with the relevant requirement of the Construction Product Directive Council (Directive 89/106/CE) and that the following standards have been applied:

- Annex/s ZA ZB - EN 14411 “Ceramic tiles – Definition, classification, characteristic and marking”.

Provisions to which the product conforms:

Characteristics	Standards applied/ Methods of test	Declared values
Reaction to fire	Decision 96/603/EC as amended	A1fl A1
Breaking strength	EN ISO 10545-4	S >1300 N for thickness ≥ 7,5 mm R >35 N/mm ² for thickness ≥ 7,5 mm
Slipperiness	B.C.R.A.	> 0,40
Slipperiness	DIN 51130	R 10
Skid resistance		NPD
Thermal shock resistance	EN ISO 10545-9	Resistant
Bond strength/adhesion		NPD
Durability: Frost resistance	EN ISO 10545-12	Resistant
(*) Pd release	EN ISO 10545-15	< 0.8 mg/dm ²
(*) Cd release	EN ISO 10545-15	< 0.07 mg/dm ²

(*) test conducted by the Notified Body AECC Agenzia Europea Certificazione Costruzioni UE number 1596

Date of first issues: **01/12/2005**
